

YOU WANT TO CHANGE PEOPLE'S LIVES?

We at DIH do this every day.

DIH is founded with the mission to transform lives and inspire caregivers and patients through leading intelligent products & systems. With game-changing and innovative technologies that improve human movement therapy for millions of patients around the world.

Join us and become a part of the global leader to define the therapy standards of tomorrow.

CLOUD SUPPORT SPECIALIST

ARE YOU INSPIRED BY...

- taking a significant part in the successful implementation of HocoNet, our innovative connected health product
- setting up this new integrated cloud-based software solution at our customers
- gathering key know-how during a 6-month assignment at our development location together with the HocoNet project team in Switzerland before implementing it in the service environment
- working in international projects with cross-functional teams of service, development and operations specialists
- building up all relevant service structures (incl. creating user manuals, knowhow transfer & trainings, definition of interfaces, etc.) for a successful distribution to customers and within the company

WE MATCH WITH PERSONS WHO...

- are highly customer-oriented and are dedicated professionals
- are open to new ideas and feel comfortable in a dynamic environment
- have great analytic skills and think solution-oriented
- can work independently and are able to familiarize themselves with new topics
- have good social skills, and integrate well into a multicultural team
- perform their tasks with passion, precision and curiosity

YOU HAVE...

- completed a technical education and are experienced in technical account management
- knowledge of cloud technology (Microsoft Azure preferred) and ICT systems, including network systems
- an ITIL certification
- HIS/FIHR experience and knowledge of data regulations in hospital environment is a plus
- good command in German and English

Leading. Innovative. Reliable. Human. Integrity. Passionate.

That is what DIH stands for.

What do you stand for?
