

ARE YOU READY TO REVOLUTIONIZE HUMAN MOVEMENT RESEARCH?

Our game-changing technology is setting a new standard in the world of human movement research. We need you to strengthen our Business Unit dedicated to the Research Market. If you are a self-starter, who inspires others with your visionary and hands-on leadership qualities, then we look forward to receiving your application for the following role:

GLOBAL BUSINESS UNIT MANAGER

ARE YOU INSPIRED BY...

- driving forward the business strategy of the global leader in human movement research
- supporting our business growth with new business models
- empowering sales teams around the globe with new solutions and new services
- becoming a key stakeholder and dot connector in the management team of Motek and DIH
- monitoring market trends and connecting with our customers worldwide to understand their needs

WE NEED CANDIDATES WHO...

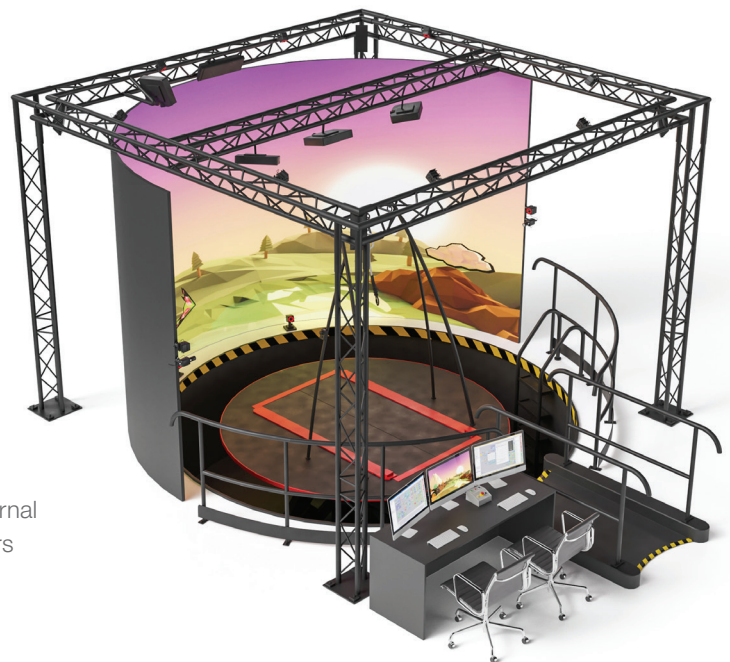

- are entrepreneurial, visionary and can turn complex ideas into reality
- are able to see the big picture and have a result-oriented can-do attitude

- are natural, inspiring leaders with strong negotiation and communication skills
- thrive in changing and fast paced environments
- have a track record of 5+ years of applicable experience
- have a Master Degree in Economics, Life Sciences or another relevant discipline

YOU ARE EXPERIENCED IN...

- leading cross functional teams
- building up, expanding and or optimizing businesses
- working with cross-border teams and multiple internal and external colleagues and customers

- strategic market analysis, identification of new business opportunities and market access strategies,

Leading. Innovative. Reliable. Human. Integrity. Passionate.
That is what Motek stands for.
What do you stand for?
www.motekforcelink.com
www.hocoma.com

The position will be based at Motek in our Dutch office. This is a fantastic opportunity to actively shape Motek's course and lead the way in enabling scientists to carry out groundbreaking research in the field of human movement.
Please tell us in **your cover letter** why you are a great match for what we're looking for, and send it along with your **CV and photo** to our HR team at info@motekforcelink.com.
Ms Helene Teuscher, (+41 43 444 22 00) is glad to answer your questions.
We only accept direct applications.
